This Prospectus supplement (the **Supplement**) constitutes a Supplement pursuant to Art 16 of Directive 2003/71/EC (*the Prospectus Directive*) and section 6 of the Austrian Capital Markets Act (*Kapitalmarktgesetz*) and is supplemental to, and should be read in conjunction with the prospectus relating to the € 10,000,000,000 Debt Issuance Programme (the **Programme**) of Österreichische Volksbanken-Aktiengesellschaft (the **Issuer**) dated 31 May 2011 (the **Original Prospectus**) as supplemented by the supplement No. 1 dated 18 July 2011 (the **Supplement No. 1** and together with the Original Prospectus the **Prospectus**).

The Original Prospectus was approved on 31 May 2011 by the Austrian Financial Market Authority (*Finanzmarktaufsichtsbehörde*, the **FMA**) and published by making it available in printed form, free of charge, to the public at the registered office of the Issuer and on the website of the Issuer (www.volksbank.com/prospectus). This Supplement has been published by making it available in printed form, free of charge, to the public at the registered office of the Issuer and on the website of the Issuer (www.volksbank.com/prospectus).

Terms defined in the Original Prospectus shall have the same meaning when used in the Supplement, if there is no indication to the contrary.

To the extent that there is any inconsistency between any statement in this Supplement and any other statement in or contemplated by reference in the Prospectus, the statements in this Supplement will prevail.

In accordance with Art 16 of the Prospectus Directive and section 6 of the Austrian Capital Markets Act, investors who have agreed to purchase or subscribe for Notes (as defined in the Prospectus) after the occurrence of the significant new factor, material mistake or inaccuracy relating to the information included in the Prospectus to which this Supplement relates to, but before the publication of this Supplement, have a right to withdraw their acceptances within two banking days after the date of publication of this Supplement. This Supplement does not constitute an offer to sell, or the solicitation of an offer to buy Notes in any jurisdiction where such offer or solicitation is unlawful. In particular, the Notes have not been and will not be registered under the United States Securities Act of 1933.

The Issuer accepts responsibility for the information contained in this Supplement. Having taken all reasonable care to ensure that such is the case, the information contained in this Supplement is, to the best of the knowledge of the Issuer, in accordance with the facts and contains no omission likely to affect its import.

No person has been authorised to give any information or to make any representation other than those contained in this Supplement in connection with the issue or sale of the Notes and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer or any of the Dealers or the Arranger (other than the Issuer).

The distribution of this Supplement and the offering or sale of the Notes in certain jurisdictions may be restricted by law. Persons into whose possession this Supplement comes are required by the Issuer, the Dealers and the Arranger to inform themselves about and to observe any such restriction. The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and may include Notes in bearer form that are subject to U.S. tax law requirements. Subject to certain exceptions, Notes may not be offered, sold or delivered within the United States or to US persons. For a description of certain restrictions on offers and sales of Notes and on distribution of this Supplement, see "7. Subscription and Sale" of the Original Prospectus.

This Supplement does not constitute an offer of, or an invitation by or on behalf of any of the Issuer, the Dealers or the Arranger to subscribe for, or purchase, any Notes.

The Dealers and the Arranger (other than the Issuer) have not separately verified the information contained in this Supplement. None of the Dealers or the Arranger (other than the Issuer) makes any representation, express or implied, or accepts any responsibility, with respect to the accuracy or completeness of any of the information in this Supplement. Neither this Supplement nor any financial statements supplied in connection with the Programme or any Notes are intended to provide the basis of any credit or other evaluation (e.g. financial analyses) and should not be considered as a recommendation by any of the Issuer, the Dealers or the Arranger that any recipient of this Supplement or any financial statements should purchase the Notes. Each potential purchaser of Notes should determine for itself the relevance of the information contained in this Supplement or any financial statements and its purchase of Supplement should be based upon any such investigation as it deems necessary. None of the Dealers or the Arranger (other than the Issuer) undertakes to review the financial condition or affairs of the Issuer during the life of the arrangements contemplated by this Supplement nor to advise any investor or potential investor in the Notes of any information coming to the attention of any of the Dealers or the Arranger (other than the Issuer).

Significant new factors

Since the date of the Original Prospectus, the Issuer has become aware of significant new factors which are capable of affecting the assessment of the Notes. Therefore, the following changes are made to the Original Prospectus:

1. Description of the Issuer - Recent Developments (page 54)

On page 54 of the Original Prospectus under the heading "*Recent Developments*" the last sentence of the paragraph starting with "*All these and future measures...*" is replaced by following wording:

"All these and future measures are targeted at the planned redemption of VBAG's participation capital held by the Republic of Austria in tranches from 2011 onwards. The main shareholders of VBAG resolved to acquire a part of the participation capital held by the Republic of Austria in the amount of EUR 300 million in 2011. This decision is subject to final approval by the FMA. In the course of the de-merger of VBAG's banking business the remaining EUR 700 million of the VBAG's participation capital which was subscribed by the Republic of Austria will - subject to approval by the FMA - be transferred to Investkredit Bank AG (as issuer).

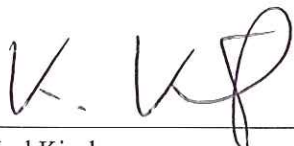

Half Year Report 2011: On 25 August 2011, the Issuer announced a reduced consolidated net income for the first half year 2011. As a result of a difficult economic environment and the current degree of implementation of VBAG's "Strategy 2015" a payment or a full payment on dividend-carrying securities of VBAG (i.e. shares and participation capital) in 2012 for the business year 2011 is unlikely from today's point of view. Detailed information on the half year report 2011 can be found on the website of the Issuer (www.volksbank.com)."
